Technology
- Bottom-loading and vapour recovery system ....Jan
- Pipework system for filling stations ....Jan
- Additive injection for smaller depots ....Jan
- On-truck computer ....Jan
- Lift with intelligence ....Jan
- Data management in a box ....Jan
- Water-corrected lens ....Jan
- Solving hard water scale ....Jan
- Hardening process for tubes ....Jan
- Oil patch directory ....Jan
- Ready-made steel island forms ....Jan
- Central control room ....Feb
- Petrochemical design library CD ....Feb
- Visual proof of delivery ....Feb
- No escape from tanks ....Feb
- Mass flowmeter for harsh applications ....Feb
- Pipeline checks in under an hour ....Feb
- Clean-up in South Humberside ....Feb
- Basin-modelling software tool ....Feb
- Real-time expert systems ....Feb
- Remote control system ....Feb
- Aviation fuel tanks ....Feb
- Metal detector ....Feb
- Edacom wins contract ....Mar
- Get on the scales ....Mar
- Customised keyboards ....Mar
- Testing with no downtime ....Mar
- New downhole shaker table ....Mar
- Innovative computer replaces mechanical dispenser unit ....Mar
- Deepwater sidescan sonar ....Mar
- Less drilling with new clean-up pump ....Apr
- Live clean-up demonstrations ....Apr
- Building a roof over contaminated land ....Apr
- Accurate data with shallow seismic ....May
- Molecular sieves dry natural gas ....May
- Ethernet link cuts cost of process system ....May
- New pump valve improves stability ....May
- Information Technology Survey ....Jun
- Handheld computer for hostile environments ....Jun
- New release for R/3 software ....Jun
- Process indicator ....Jul
- Level transmitter permits multiple applications ....Jul
- System for borehole seismics ....Jul
- Fast data broadcasting ....Jul
- Gas analysis used for Orimulsion research ....Jul
- New chiller range for reduced costs ....Jul
- New cable research and development centre ....Aug
- PC-compatible IP66 computer ....Aug
- Vessel sampling made simple ....Aug
- Small seals for pressure gauges ....Aug
- Explosion-proof machine safety sensors ....Aug
- New signal conditioner ....Aug
- ISO 9000 buried ....Aug
- Data access initiative ....Aug
- Solids-free drilling fluids ....Aug
- New test borehole facility ....Sep
- ESP innovation for horizontal high rate wells ....Sep
- Glands for armoured and braided cables ....Sep
- Camera for inspection of risers ....Sep
- Flowline hose management set ....Sep
- Metal seal for horizontal trees ....Sep
- Inertial navigation system ....Oct
- Low power valve monitoring ....Oct
- Camera surveillance for every application ....Oct
- Computer link for Scotland ....Oct
- Wavefield Reconstruction — 3-D seismic data acquisition ....Nov
- Bar codes for better cylinder control ....Nov
- Controlling contamination ....Nov
- Tap water based hydraulics ....Nov
- Intelligent InSys controller ....Nov
- Satellite data in ER Mapper format ....Nov
- Video imaging for security ....Nov
- Easy calibration watercut controller ....Nov
- New software for distribution ....Dec
- Portable on-site Calor Gas lighting ....Dec
- Advisory service for design engineers ....Dec
- Finger on the buzzer ....Dec

Texaco
- Texaco plans Britain's first ever gas-less gas station ....Mar
- Texaco launches 'the next generation of petrol' ....May
- Shell complaint over Texaco ad ....Jun
- Texaco requested to tone down ads ....Sep
- Tenants accuse Texaco of pump price control ....Nov

Transport ....
- Stage1b – road tanker unloading at service stations ....Jan
- Land Rover gas survey vehicle ....Jul
- New pipe fittings range ....Sep
- On the move — road transport innovations ....Dec
- THOMAS the roadtanker ....Dec
- Making tracks ....Dec
- Gatwick takes off with new truck ....Dec
- Managing truck deliveries ....Dec
- New fuel transfer system ....Dec

Turkey
- Fatal tanker crash threatens future of Bosporus Strait ....Apr
- Question mark hangs over future of Bosporus ....Jul

UK
- November budget a welcome relief for industry ....Jan
- UK coalbed methane ....Jan
- Scotland fabrication yards face closure ....Mar
- Ireland benefits from subsea pipeline links with United Kingdom ....Jul
- UK faces high abandonment bill ....Oct

Upstream
- 'Prospects for the upstream oil industry' .... Jan
- Atmospheric emissions from the upstream oil and gas industry ....Apr

USA
- Re-inventing the US oil and gas patch ....Jan
- DMM pipeline returning to France ....Feb
- Role for ethanol in US reformulated gasoline ruling ....Feb
- Capital – and the black gold rush ....Mar
- US operators adapt to environmental legislation ....May
- Beware – Clean Air Act approaching ....Aug
- Do US pipeline oil spill response plans fit the bill? ....Oct
- Foreign tankers hit by new US pollution rules ....Dec

Vapour Recovery
- Stage 2: Car refuelling emission control ....Jan
- Pipework system for filling stations ....Jan

World Petroleum Congress
- Norway prepares for 14th World Petroleum Congress ....Apr
- World Petroleum Congress ....Jul

Yemen
- Canadian Occidental joins Hunt as Yemen oil producer ....Feb
- Yemen oilfields increasingly threatened by conflict ....Jul
- Yemen lacks funds for reconstruction ....Sep
